

17th International Exhibition Equipment, raw materials and technologies for pharmaceutical production

Long Sheng Pharma participated at the 17th international pharmaceutical exhibition Pharmtech & ingredients 2015. The exhibition took place in Moscow, from 24 to 27, November.

Pharmtech & Ingredients is currently the largest international exhibition in Russia and the CIS presenting equipment, raw materials and technologies for manufacturing pharmaceutical products, nutritional supplements, blood products and cosmetics.

Long Sheng Pharma released its brand new look and identity which was highly appreciated by both visitors and business partners.

Clean room facilities, automatic shoe cover machines, packaging materials and consumables were displayed at the company stand.

Long Sheng Pharma team expresses gratitude to the visitors for the shown interest in our business activities!
